on July 25, 2001.

Applicants note that, lacking the inclusion of the page 47, the present application would have only included seventy-seven pages of specification. However, as indicated by the date-stamped mailroom receipt, the Utility Patent Application Transmittal, a Cover Letter and the date-stamped postcard receipt, the specification containing seventy-eight pages was filed concurrently with the application on July 25, 2001.

Accordingly, Applicants hereby request that the replacement sheet containing page 47 of the specification, submitted concurrently herewith, be accorded the same effective filing date as the application as filed on July 25, 2001.

A check including the \$130.00 Petition Fee is attached. Please charge any additional fee deemed necessary for processing the present petition to Deposit Account No. 19-0089. Also, upon granting of the petition, please issue a refund check payable to the undersigned.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
